I have been involved in NCSW since 2020 and I am currently on the Planning Committee.

My own work is in printmaking, painting, clay. Over the years, I have taken 2 workshops with outstanding faculty.

The NCSW Planning Committee is an essential part of what we do. I have stayed involved because of the dedication of the committee and the vision of what a powerful organization it is and will continue to be in the future. Artists have an opportunity to engage for a period of time to focus, create, and collaborate with peers and educators, all while learning from prominent faculty within their medium as an artist.
