I have been involved in NCSW since 2020 and I am currently on the Planning Committee.

My own work is in basketry. Over the years, I have taken 2 workshops with outstanding faculty.

The NCSW Planning Committee is an essential part of what we do. I have stayed involved because With a small part-time staff, the volunteer Planning Committee plays central roles in planning, organizing and running this biennial conference here at Bennington College. An important and fundamental function that the Planning Committee undertakes is determining who teaches and what gets taught. By actively having skilled craftspeople involved in these types of decisions it has earned North Country the reputation for having outstanding instructors and workshops year after year. I have truly enjoyed being a part of an active group of volunteers who are committed to high standards in crafts and help significantly to put on amazing workshops.
