I have been involved in NCSW since 2023 and I am currently on the Planning Committee.

My own work is in basketry. Over the years, I have taken 1 workshops with outstanding faculty.

Basketry - Hard & Soft Sculptural - Endless Possibilities Mary Hettmansperger

The NCSW Planning Committee is an essential part of what we do. I have stayed involved because my experience this past winter of 2023 at North Country had a huge influence on basketry work. I was able to expand my techniques and my creativity and to try so many new elements in my designs. The classes introduced materials and possibilities to Inspire me in new directions. I was also very excited to be with other artists and to be inspired by work that others were doing. I adore the art community and the sharing of ideas that comes about when artists get together.
