I have been involved in NCSW since 2020 and I am currently on the Planning Committee.

My own work is in Fabric. Over the years, I have taken 2 workshops with outstanding faculty.

The NCSW Planning Committee is an essential part of what we do. I have stayed involved because I was impressed with the organization of the workshop I attended, and the surrounding infrastructure, I liked all of the people I interacted with, it was something I wanted to get involved with.
